

# Covenant Capital Management

Covenant Capital Management, LLC is registered with the Commodity Futures Trading Commission and the National Futures Association as a Commodity Trading Advisor, and manages assets across global futures markets. Founded in 1999, CCM has 17 years of experience managing accounts for individuals and institutions throughout various market regimes. CCM offers its clients the infrastructure and experience of a larger manager, and provides clients with the additional benefits and agility of a Boutique manager. Covenant's program is a market neutral trading strategy that employs proprietary, systematic and quantitative metrics in the S&P 500 and the VIX (CBOE volatility index) to forecast moves in the S&P. The Program is designed to be non-cyclical and to profit during bullish, bearish, and flat S&P market conditions.

Covenant Capital Management is a Commodity Trading Advisor in partnership with Attainable Alpha, LLC.
